

Application to reserve a grave space

at Uplyme Cemetery

The Exclusive Right of Burial hereby applied for allows the remains of the person(s) named on the certificate to be interred in the grave space, or those of their successors in title (inheritors). The permission of the person who owns the right must be obtained for the interment of any other person's remains, so you may wish to nominate a representative or next of kin in the second part of the form.

An Exclusive Right of Burial is granted for 99 years from the date of purchase. The number of interments possible depends on whether the grave is single or double depth, and whether full remains or ashes are to be interred. Please consult the Clerk if in doubt.
