

Neighbourhood Plan Group Meeting 6.45pm 12th April held at the Uplyme Village Hall Committee Room

Present: Chris James (Chairman), Gary Bilbie, John Duffin, Barbara Kidson, Neil Pullinger, Simon Williams, Lois Wakeman (minutes)

Minutes

1. **Apologies for absence** were received from Terry Sweeney and Glen Broom.
2. **Current progress.** The EDDC Neighbourhood Plan Officer has been informed that the NP Group will be responding to regulation 15 comments. The Plan is currently being inspected by the Examiner, and EDDC expects a list of questions from him, probably by Easter. These questions are likely to point to areas where the Examiner feels the Plan may need modification. Depending on the volume and complexity of the questions, it is hoped to formulate answers by 5th May, a date which has been requested by the Examiner.

The planning application for the Sidmouth Road Park and Ride (17/0281/FUL) was objected to by both the UPC Planning Committee and the Ward Member, and a comment regarding this has been appended to the Regulation 15 document (see item 3).

3. **Response to Regulation 15 comments.** SW had compiled and circulated a set of draft responses from the UNP Group to the comments that were received by EDDC during its regulation 15/16 consultation. At the meeting, each comment and response was carefully reviewed. It was unanimously agreed to adopt the draft document.
4. **Next steps.** SW will send the agreed response document to EDDC, to be forwarded to the Examiner.
