

# **“UPLYME TOGETHER”**

## ***Uplyme Parish Neighbourhood Plan***

In November's *Parish News* we gave initial details of the Neighbourhood Plan (NP), which offers us all a powerful new opportunity to plan the future of our parish. We hope to involve the majority and preferably all of our parishioners, hence our choice of the title 'Uplyme Together' for ongoing discussions, consultations, newsletters and communications.

To obtain your comments and thoughts we propose to issue a questionnaire combined with a newsletter. This will be delivered to every household in the parish.

We will be communicating and reporting progress of the NP on a regular basis through the *Parish News* and also on the website

<http://uplymeparishcouncil.org/neighbourhood-plan/>

As part of the consultation we will be holding parish meetings in the spring. Focus Groups are being set up to consider coordination of the various aspects of individual topics such as Transportation, Medical, Community Links, The Village Economy, Social Facilities, Environmental Issues, Housing and Development Prospects as part of the overall NP. Offers to assist in the consultation and coordination process will be always be welcome, as we need to prepare a Draft Plan by October 2014.

Comments can be submitted through the website which will be collated and considered as we progress. Please note that, to avoid the plague of spam that is inevitable, your first comment will be sent for approval before it appears, so don't worry if you don't see it for a day or two.
