Shire Lane Housing Proposal – The Parish Council will be hosting an Open Meeting for parishioners to view the proposal and make their comments on 5th June between 4.00 p.m. and 7.00 p.m. Neil suggested that it would be helpful if doors open could be 3.30 p.m. This would enable those involved in collecting children from school to go straight to the event without having to come out again. John G said he would see if this was possible. John G stressed that neither the Parish Council nor the NP Group should express their personal views, this was an opportunity for parishioners to have their say without any external bias.

9. Timescale for writing the NP – Terry S reported that he and John D had completed an action plan for their part of the Plan and were aiming to have a draft for the end of August to allow for tweaking before a November completion.

Discussion followed with John G reminding members that Simon W had produced a good model to work from for each section. It was agreed that Cerne Abbas and Limpstone were still good models and members should refer to these documents as they drafted their sections.

It was agreed that a draft introductory piece should be written for the next meeting, as

follows:

- Natural Environment – **Terry Sweeney**
- Employment and Business – **Pat and Peter D**
- Housing – **Barbara**
- Community Facilities – **Neil**

It was agreed we should aim for a first draft NP by the end of August to work towards a completed draft Plan by end of October ready to submit to EDDC by November, six weeks later it would go to the Examiner, followed by ordering a small print run with the aim of going for the referendum during March 2016.
