

Uplyme Neighbourhood Plan Group

27 June 2016

**Uplyme Neighbourhood Plan
Neighbourhood Planning (General) Regulations 2012
Consultation Under Regulation 14**

Dear

Uplyme Parish Council and Neighbourhood Plan Group has been active in recent years in preparing the Neighbourhood Plan for Uplyme, in close consultation and engagement with the local community. Consultation has also been undertaken with some of the key statutory agencies and also with local authorities.

The Plan has now reached the stage where formal 'Regulation 14' consultation is being undertaken with a wide range of statutory authorities, as well as further consultation with the public and local community.

Following this exercise and any amendments, the Plan will be submitted to East Devon District Council, with a view to it arranging an Examination of the Plan, which in due course will be followed by a local Referendum.

A copy of the Neighbourhood Plan and Strategic Environmental Assessment can be downloaded from <http://uplymeparishcouncil.org/neighbourhood-plan/> and we would very much welcome any comments you may have, so that the Plan can be progressed, with a view to ensuring that it has as broad support as possible. A proforma sheet is also included below to assist in making comments.

We would therefore be pleased to receive your comments by **Monday 22nd August 2016**.

Many thanks

Yours faithfully

Christopher James

Chair Uplyme Parish Council & Neighbourhood Plan Group.
